

## Conversations & Cheer: Celebrating Our Relationships

*“Iron sharpens iron; so one man sharpens another.”*

*Proverbs 27:17*

On December 22, the Foundation was delighted to host a *Conversations & Cheer* Christmas luncheon to honor the wonderful staff of First United Methodist Church of Fort Worth.

The day had special significance: We also celebrated Senior Pastor Dr. Tim Bruster’s birthday! To close the year, it’s fitting for us to share some pictures from that fun event in Wesley Hall. After all, the Foundation exists for only one reason: **to support the Church, the members and its staff.**
